

REMARKS

The Office Action of December 15, 2005, has been carefully considered.

It is noted that the Examiner requires election of a single species from four species listed in the Office Action.

Applicant selects Species I shown in Figs. 2a and 2b, with traverse.

Applicant has taken this opportunity to amend some of the claims to better set forth the invention.

Claims 1 and 3-30 read on the elected species, as well as on the Species of Figs 3a, 3b, 4a and 4b. Thus, claims 1 and 3-30 are generic for the species of Figs. 1-4.

Favorable action on the present application is respectfully requested.

Any additional fees or charges required at this time in connection with this application may be charged to Patent and
